ON TAP

Our Tap Wall features 80 rotating beers, ciders, seltzers, and wines on draft. Each tap offers something new to discover, from local craft brews to unique seasonal releases.

The best part? You're in control. Simply tap the screen to explore each beer's story — see where it's from, the flavor profile, and ABV — then pour as much (or as little) as you'd like. It's an interactive, self-guided tasting experience built for beer lovers and explorers alike.

Looking for something different? PTR also has a full service bar on the main level.

How It Works..
